

Mr. Duckett, DDS&T

Attached for your information is a memorandum we originally intended to send to the DCI showing him the membership of the NSCIC Working Group and its Intelligence Panel.

Since this same information is in the Minutes of the Working Group meeting of 30 October we decided not to send the attached memo to the DCI - but General Wilson and [REDACTED] 25X1A9a wanted to make certain you were aware of the makeup of the two new NSCIC bodies.
